Approximate time: 1:01

Hello, my name is Roslyn Hopkins-Fernandes. I'm the director of account management with UnitedHealthcare here in the mid-Atlantic region.

Due to the pandemic, we have to educate differently during this open enrollment season. So I am happy to present to you our virtual education center.

On this site you will get great information about our plan as well as the different programs that are available when you select UnitedHealthcare as your carrier. I encourage you to take a look at this site and visit the different booths.

When you do, you'll find out that UnitedHealthcare's plan is a National plan which means that our members have the opportunity to see a network provider anywhere within the United States without getting a referral.

I hope you enjoy the site. And for those of you that are currently UnitedHealthcare members, Thank you! Thank you for trusting us as your carrier. And for anyone looking for a carrier, please give UnitedHealthcare a look. We would love to have you.

Thank you!
