Hello everyone. I thought I would start today with an expression of gratitude.

2020 has been a year that's tested our resolve, and every way possible, both professionally as well as each and every one of us personally.

Yet despite those incredible challenges you have stepped up to serve our country. And to ensure that the employees and their families were cared for and supported and kept safe.

I want you to know that the people of Unitedhealth Group are extremely proud of the work you do each and every day. And we appreciate the opportunity to be able to serve you and those who you serve.

Thank you.
